## The Arbonne Product Advantage

Since 1975, Arbonne is the name that has come to define quality products and an unwavering commitment to both the environment and our customers. Our Independent Consultants have a special and important role. They exclusively distribute highly sought-after Arbonne products.

We know that when it comes to buying skin care, cosmetics and nutrition products, **the recommendations and advice from people you trust are important.** All Arbonne products are consumable. Consumable products are used every day, purchased regularly, and as a result generate more and more income. What this translates to for our Consultants is loyal customers and repeat purchases.

**Arbonne products** are sold exclusively through **our network of Independent Consultants.**

# What is Network Marketing?

**Simply put, network marketing is a system that** channels goods or services from the manufacturer to the consumer through a “network” of independent distributors or Independent Consultants. It’s an incredibly effective system that cuts the cost paid to the “middle man” ... offering you a higher earning potential.

**Imagine the freedom to live the life you dream of just by introducing people to products you believe in.** That’s the beauty of our business model. So many of our Independent Consultants have done just that — and have transformed their careers, their lives and themselves.

## Why does Arbonne sell our products via network marketing, and not in stores?

**People.** Our network of Arbonne Independent Consultants is as important to our success as our product formulations.

If you have the desire to share Arbonne, we are behind you 100%. For more than 30 years, our Independent Consultants have enjoyed the kind of support that only a company such as Arbonne can provide. With award-winning and effective training opportunities, marketing materials and programs, we keep you informed and poised for success!

# The Advantage is You

Knowing and loving our products are the only prerequisites for success as an Arbonne Independent Consultant. Our Independent Consultants are the face of Arbonne. They are living proof of the products' success, a trusted resource. So when your Clients look to you for service, all you have to do is look to us. The Arbonne Marketing, Distribution and Customer Service Teams give you the tools, training and programs to get you started and keep you going strong as your business grows ... and grows ... and grows!

## Infinite Possibilities

How often are you offered the opportunity to make money, make a difference and have fun ... all on your terms?

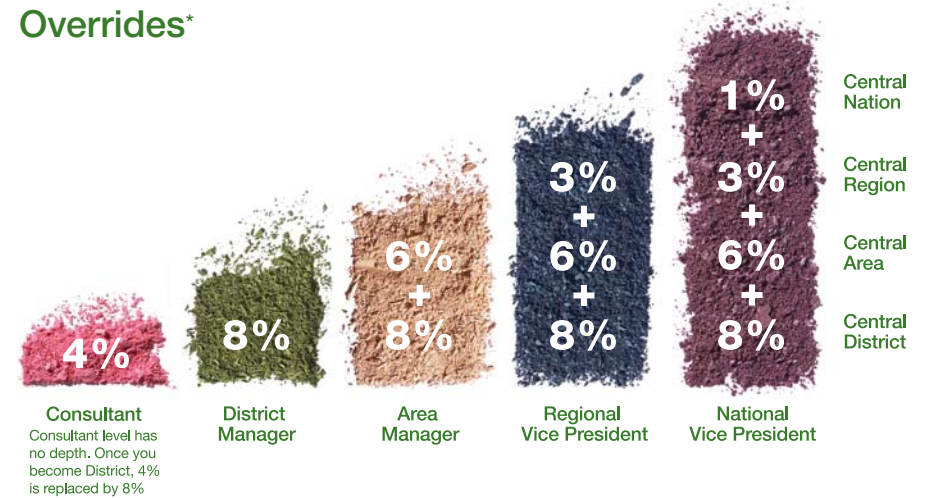

Arbonne Independent Consultants believe in the Arbonne products and vision, and enjoy the flexibility of a business tailored around their lives — not the other way around.

### Arbonne Independent Consultants achieve success in 2 ways:

1. Through **retail profit on sales** of products purchased at discounted prices from Arbonne.
2. Through **commissions, overrides and bonuses** paid on an Arbonne Independent Consultant's product sales volume and the sales volume of other Arbonne Independent Consultants on their team.

Full-time or part-time income? You decide.

## SuccessLine Overrides\*

## Success ... on Your Terms

We know you are interested in the bottom line: How much money does an Arbonne Independent Consultant make?

That figure depends on you. With traditional jobs, your boss determines when you get a raise or get promoted. But with Arbonne, your time and efforts determine your success. You are your own boss.

### You have direct control over your success!

And, when you encourage others to realize their own dreams, your potential for income grows even more. As you leverage your time by helping to guide, mentor and train your team, you'll be compensated as their Arbonne business grows and their sales volume increases. The more successful your team members are, the more you are rewarded.
