DERMATOLOGIST TESTED - ACNE MEDICATION

You deserve clear skin

Arbonne Clear Advantage is an easy-to-follow regimen consisting of **dermatologist tested**, acne-fighting formulas that help to **clear skin** and **prevent new blemishes** from forming. In combination with an advanced supplement that provides zinc, key antioxidants and botanicals to help support healthier skin, each acne medication formula gently exfoliates, clarifies and calms for a clear complexion. Natural botanicals and scientific ingredients reduce redness without irritating or overdrying, to provide skin with maximum relief. Discover an **acne-fighting line** that spans nature and science to help you **achieve healthier-looking skin**. With products like these, clear skin is your advantage.

An **Arbonne Clear Advantage** clinical study revealed the following results:

- Participants had a significant reduction in the number of acne lesions
- Participants had a significant reduction in redness and inflammation

74% of study participants prefer Clear Advantage to their previous acne medication

100% of study participants reported improvement in soothing and calming the skin

100% of study participants reported improvement in overall appearance of the skin

Step 1

Improved Formula

A. Clarifying Wash Acne Medication

Clarifying wash that penetrates pores and helps to keep breakouts under control. This deep-cleansing, soap-free wash contains 1% salicylic acid. New, easy-to-use tube makes it ideal for use in the shower. | Key Ingredients: Salicylic acid 1%, alfalfa, dandelion leaf, licorice root, peppermint, orange peel, mallow flower, wild pansy, hops extract, vitamins A, C and E | Skin Type: Acne-prone skin | 103 mL, **#420; \$20**

Step 2

Improved Formula

B. Clarifying Toner Acne Medication

Alcohol-free toner that contains 0.5% salicylic acid. Contains patent-pending, time-release technology that removes excess surface oils, gently exfoliates and reduces irritation and redness for a prolonged anti-acne effect. | Key Ingredients: Salicylic acid 0.5%, witch hazel, alfalfa, dandelion leaf, licorice root, orange peel, orange fruit, mallow flower, hops extract, sugar cane, sugar maple, lemon fruit, vaccinium myrtillus fruit/leaf, lactic acid, vitamins A and E | Skin Type: Acne-prone skin | 118 mL, **#421; \$20**

Step 3

Improved Formula

C. Clarifying Lotion Acne Medication

Oil-free lotion, containing 1% salicylic acid, helps clear acne blemishes and also helps prevent new blemishes from forming. Contains proprietary, time-release technology for reduced irritation and prolonged anti-acne effect. Clarifies the complexion and gives skin a shine-free, matte look. | Key Ingredients: Salicylic acid 1%, alfalfa, dandelion leaf, licorice root, orange peel, mallow flower, wild pansy, mulberry, hops extract, vitamins A, C and E | Skin Type: Acne-prone skin | 50 mL, **#422; \$20**

Step 4

New Formula

D. Acne Spot Treatment Acne Medication

On-the-go, high-performance acne treatment with 2% salicylic acid helps to prevent new blemishes from forming and clear existing breakouts. Contains proprietary, time-release technology that targets problem areas for all-day performance and prolonged acne-fighting effects, while helping to reduce the appearance of redness. | Key Ingredients: Salicylic acid 2%, rosa roxburghii fruit extract, lycium barbarum fruit extract | Skin Type: Acne-prone skin | 10 mL, **#4589; \$27**

Step 5

Improved Formula

E. Skin Support

A unique supplement for troubled skin with excellent sources of zinc, unique botanical extracts and antioxidant vitamins C and E, helps to maintain healthy skin and immune function. | Key Ingredients: Zinc, vitamins C and E, guggul gum extract, saccharomyces boulardii, resveratrol, Coenzyme Q10, grape skin extract, rosemary extract | Skin Type: Blemishes | 30-day supply, **#423; \$28**

Set Special Clarifying Set

Save 10% and you will have the advantage of clear skin with this set. Includes Clear Advantage Clarifying Wash, Clarifying Toner, Clarifying Lotion and Skin Support. A \$88 value, for **\$79.50. #424**

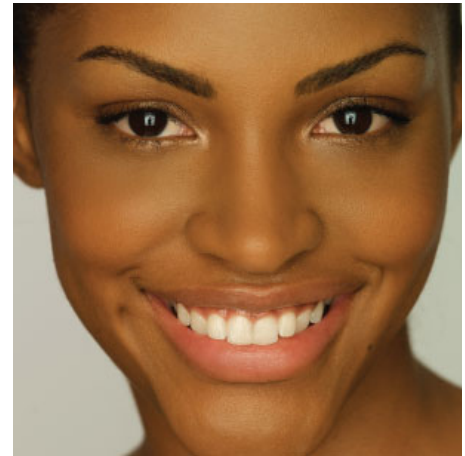

Formulated without:

Benzoyl Peroxide, Parabens, SD-Alcohol, Phthalates, Propylene Glycol, Mineral Oil, Petrolatum, Paraffin, Diethanolamine, Animal-derived Ingredients
