

Figure 8 Vanish™ Contouring Cellulite Cream

A daily, synergistic 2-step system to help visually diminish the effects of cellulite. Step 2 of 2, this advanced formula blends botanicals and clinically-proven ingredients to improve the visual appearance of cellulite. It's a vanishing act that will leave your skin looking smooth. You won't believe your thighs!

RECOMMENDED FOR:

Those who would like to reduce the visual appearance of cellulite.

WHEN TO USE:

After applying Figure 8 Vanish™ Pre-Shower Cellulite Scrub and your normal skin care regimen.

USAGE:

Apply liberally in circular motions to the affected areas (thighs, hips, buttocks, arms) until absorbed.
