## Figure 8 Vanish™ Pre-Shower Cellulite Scrub

A daily, synergistic 2-step system to help visually diminish the effects of cellulite. Step 1 of 2, prepare yourself to be amazed with this unique, botanically based formula that is applied dry — before showering — to visually tone, tighten and prep skin for step 2, the Figure 8 Vanish™ Contouring Cream. This high performance scrub will intrigue your senses.

**RECOMMENDED FOR:**

Those who would like to reduce the visual appearance of cellulite.

**WHEN TO USE:**

In the shower, prior to wetting the skin.

**USAGE:**

Apply to affected areas (thighs, hips, buttocks, arms) in circular motions. Rinse under a warm shower or bath to dissolve and follow with regular cleansing regimen.
