

Herbal Lip Ointment

A combination of lysine, zinc and vitamins in a proprietary, herbal base. Protects skin and provides relief from cold sores and fever blisters.

Recommended For: Temporary relief of pain associated with cold sores and fever blisters.

When to Use: As needed, up to 4 times daily until healed.

Usage: For adults and children over the age of 2. Apply to affected area on face or lips at the first sign of a cold sore/fever blister tingle.

<u>Ingredient</u>	<u>Source</u>	<u>Function</u>
