

[NUTRIMINC® RE⁹]

NutriMinC® RE⁹ REnewing Gelée Crème Hydrating Wash

Recommended For: All skin types.

When to Use: In the morning and evening.

Usage: Apply a small amount with water on moist skin and massage gently in circular motions. Rinse off with warm water. Follow with REstoring Mist Balancing Toner.

<u>Ingredient</u>	<u>Source</u>	<u>Function</u>
Water		Solvent
Sodium Cocoyl Isethionate	plant	Cleanser
PEG-80 Sorbitan Laurate	plant	Emulsifier, Stabilizer
Stearic Acid	coconut	Emollient, Emulsifier, Thickener
Cocamidopropyl Betaine	coconut	Foam Booster, Thickener, Anti-Irritant
Sodium Lauroamphoacetate	science	Anti-Irritant, Surfactant
Disodium Lauroamphodiacetate	science	Cleanser, Foam Booster
Sodium Trideceth Sulfate	science	Foam Booster, Surfactant
Disodium Laureth Sulfosuccinate	science	Conditioner, Foam Booster, Surfactant
Glycol Stearate	science	Emulsifier, Stabilizer
Lecithin	vegetable	Conditioner, Emulsifier
Tocopheryl Acetate	vitamin E, plant	Antioxidant
Magnesium Ascorbyl Phosphate	vitamin C, plant	Emulsifier, Stabilizer
Retinyl Palmitate	vitamin A, plant	Antioxidant, Essential Vitamin
Borago Officinalis Seed Oil	plant	Emollient, Moisturizer
Caprylic/Capric Triglyceride	plant	Emollient, Emulsifier, Moisturizer
Ascorbyl Palmitate	vitamin C, plant	Antioxidant, Essential Vitamin
Phosphatidyl Choline	plant	Conditioner
Thioctic Acid	science	Antioxidant
Phospholipids	vegetable	Skin Protectant, Emulsifier, Emollient
Panthenol	grain	Humectant, Moisturizer
Glycerin	vegetable	Humectant, Solvent
Butylene Glycol	organic alcohol	Solubilizer, Solvent
Citrus Aurantium Dulcis (Orange) Oil	fruit	Aromatic Agent
Polysorbate 20	vegetable	Emulsifier, Stabilizer, Thickener
Hexylene Glycol	science	Solvent
Disodium EDTA	science	Chelating Agent
Methylchloroisothiazolinone	science	Preservative
Methylisothiazolinone	science	Preservative
